

## Chasen

by Patricia Urquiola , 2007

Suspension lamp providing diffused lighting. Chemically photo-etched stainless steel body and borosilicate diffuser. Liquid paint protection. Die-cast aluminum base, 30% fiberglass-reinforced polyamide ceiling rose attached to a pressed and galvanized steel ceiling fixture. In this version the light emission can be adjusted by means of a mechanical movement that opens the louvers, thereby varying the shape of the luminaire. Steel suspension cable, FEP/PVC power cord of the same color as the luminaire.
