

Coordinates Ceiling 1

by Michael Anastassiades , 2020

Coordinates is a lighting system with diffuse light composed of horizontal and vertical luminaries arranged in a bright grid of various shapes and complexities. Each element is made of extruded anodized aluminium with a champagne or argent moon finish and a diffuser in platinum optical silicone with an integrated LED strip (CRI 95). Each element is powered and supported by an invisible electrical and mechanical connection designed specifically to allow for the composition of the 3 ceiling models (C1 – C2 – C4), which may be combined with the respective Long versions for the highest ceilings (C1 Long, C2 Long, C4 Long). Each Coordinates configuration includes its own ceiling rose, whose integrated electronics allow for the use of different dimmer systems: push, 1-10, DALI. In the absence of these systems, the amount of light can be set during installation with the push system included in the rose.

Mounting	Ceiling/wall
Environment	Indoor
Weight	3,8 Kg
Light sources available	1 x Strip Led 45W [i] 2700K 2270lm CRI95
Emergency	Without
Dimmer	Included 1-10 Push-Dali
Voltage	100-240V
Power	45W
Battery	No
Supply included	Yes

Materials Extruded aluminum, Platinic silicone extruded opal

Colors

- F1852033 - Argent Moon
- F1852044 - Anodized Champagne
