

## Coordinates Suspension 1

af Michael Anastassiades , 2020

Coordinates' is a lighting system consisting of horizontal and vertical strip lights that form illuminated grid-like structures of various complexities. The system can be easily adapted for different environments of varying scale.

In addition to the customized solutions there are a collection of standard chandeliers of pared-down configurations that can be used in any setting.

|                                 |  |
